Elegant Apartments by the Sea

Ref. 1890_81

In a newly built tower in the heart of Jesolo, a famous seaside location not far from Venice, modern brand new apartments of different size are for sale. Tower is in a central position just few step from the main promenade and the sandy beaches. Apartments starts from 80-100 sqm and are composed of two bedrooms, one or two bathrooms, a living room, kitchen and a large terrace, private garage, communal pool and private place in the beach.

Apartments are bright and perfectly exposed, have air conditioning and floor heating system independent for each room, are elegantly furnished, with high quality details, oak paving indoor and teack outdoor in the terrace, 32mm Safety glass treated with UV filter together with automatic curtains to ensure natural lightning while preserving the temperature and provide noise isolation. Moreover there are security doors, video entryphone, rain and smoke sensor and home automation system predisposition.
